Policy for the Use of Mobile Phones, Portable Computer Games, MP3 Players/iPods, Cameras/iPads/Tablets and Similar Devices in Schools.

Introduction

There is a range of technology available today including mobile telephones, pagers, digital cameras, portable CD and MP3 players/iPods, iPads/tablets and other similar devices. Many of these have the potential to be incorporated appropriately into lessons, opening exciting new approaches to learning. However, when these technologies are misused by students they can be very disruptive to teaching and learning, in some cases cause harm and potentially break confidentiality and privacy regulations.

Mobile Phones:

Helensburgh Public School acknowledges that on some occasions students may need to be in possession of a mobile telephone for reasons relating to their safety in travelling to and from school. If there is a need for a student to bring a mobile phone or electronic device a signed Agreement Form from home must be supplied. Upon arrival at school the phone should be clearly labelled, turned off, with the child's name and handed into the school office for safe keeping. Please supply a clear plastic zip lock bag for storage. It is the child's responsibility to collect the phone at the end of the day.

Parents with an urgent need to be in contact with their child during the day should contact the school office and appropriate steps will be taken to pass on the message.

Cameras and image capturing devices:

Taking photographs or videos while at school or when engaged in school-related activities may only occur if there is a sound reason for the photography and permission is given by the school. Depending on the particular circumstances and purpose of the photography, the permission of parent/carer and/or student may be required. Students are not to bring cameras to school without the permission of the school. This may be the case during special events such as excursions or sporting carnivals. Students are never to use mobile phone cameras whilst at school unless permission has been granted.

MP3 Players, ipods, ipads, tablets, USB drives and storage devices etc

Students have regular access to technology via the school's computer system. The school recognises the increasing role of electronic devices in students' lives. However equipment such as MP3 players, ipods, ipads and tablets are not to be brought to school.

The school's computer network provides each student with their own drive where their work can be saved and accessed from any school computer after they login. The use of USB storage device is permitted at school if its use is directly related to classroom learning tasks. These devices have the potential to be used to share inappropriate material and should be regularly checked by parents.

This policy should be read in conjunction with the **Agreement for the Use of Mobile Phones, Portable Computer Games, MP3 Players/iPods, iPads, Tablets, Cameras and Similar Devices at School**. The agreed terms are as follows:

- The device must be named, turned off, stored in a clear zip lock bag and handed into the office on arrival at school, where it will be stored securely;
- It is the responsibility of the student to collect the device after school;
- In the event that the device is not handed in, it may be confiscated by a staff member and it will be the responsibility of a parent or carer to collect it from the office;
- Loss or damage to the device during transit will not be the responsibility of the school;
- The school will not be responsible for any pre-existing damage to the device; and
- A new Agreement must be completed at the beginning of each new school year.

ELECTRONIC DEVICES AGREEMENT

If there is such a need the child must provide the signed Agreement Form (below) from home. Upon arrival at school the phone is to be checked in at the school office and kept for the day. It is the child's responsibility to collect the phone at the end of the day. There should not be any reason to bring expensive electronic devices to school except for educational purposes, prearranged by the teacher and authorised by the Principal.

On signing this Agreement parents and students understand, and agree to, the procedures for the storage and safe usage of all electronic devices.

GENERAL SCHOOL VOLUNTARY CONTRIBUTIONS
(Please return to office)

Each year our school seeks the support of families through a General School Voluntary Contribution. This contribution, together with the P&C funding is used for the provision of much needed resources that government funding does not cover. These initiatives include:

- Interactive whiteboards in many classrooms
- Library resources
- Technology equipment
- Ongoing computer technology
- Sporting equipment for lunchtime play
- Peer support funding
- Presentation Day prizes

Voluntary Contributions are very important in the context of our school’s overall finances; however, I assure all parents that no embarrassment or discrimination will occur in our school as a result of non-payment of the contribution.

I will be pleased to discuss any difficulties you may have including exemptions, support and options for payment by instalments.

The General School Voluntary Contribution is \$50 per child or \$80 per family.

Thank you for your generosity, support and providing the funds so that we can improve the learning experiences of your children.

CANTEEN VOLUNTEERS (Please return to Canteen)

Dear Parents

We can always use volunteers for our school canteen.

Our canteen attempts to provide a selection of healthy food and drink and a few tuckshop goodies for our children at lunchtime and a proposed two recess times per week. Our canteen meets the criteria for the NSW Healthy Canteen Strategy.

The hours are 8.30 am to 12.00 pm on a normal day and 8.30 am to 1.40 pm when open for recess. We require two volunteers each day. All volunteers need to have completed a Working with Children Check – Declaration for Volunteers and Contractors and provide the office with original documents for the 100 point proof of identity check.

If you can spare one day per month, please fill out the form indicating which day of the week you are available. Please return to the Canteen as soon as possible. The roster has been arranged for Term 1 but you will be placed on the roster for the rest of the year. If you have any inquiries, please pop into the Canteen to see Bronwyn Charman or Melissa Sullivan during canteen hours.
